In order that our patients receive the full range of Primary Care services, including home visits, we only accept patients from Lichfield, Wall, the Longdon Villages, Handsacre, Fradley, Whittington and Elford together with the areas in between. To check you are in our catchment area [please click here](#).

There are two forms to complete for each new patient. If you wish to download, print and complete these forms in advance of visiting the practice please click on the following links:

- [GMS1 – Family Doctor Services Registration Form](#)
- [LMG New Patient Questionnaire 2017 Child](#) or [LMG New Patient Questionnaire 2017 Adult](#)
- [LMG New Patient Questionnaire for Nursing/Residential Home](#)

Alternatively please call in to either the Lichfield or Whittington surgery where a receptionist will be pleased to supply the necessary form and deal with any queries you may have. (Whilst you may call in at any time which is convenient to you, please note that late morning and early afternoon do tend to be quieter times).
